About the graphic artist Tim Rogers

A native of New Buffalo, Tim has been responsible for the design and production of the Harbor Country Guide since 1999. In 1998, he founded Fusion Design Group, utilizing an extensive background in the graphic arts and fulfilling a dream of owning a design studio. Upon graduation from Ferris State University majoring in Commercial Art and Design, Tim worked for prominent Michigan and Indiana ad agencies, sharpening his skills as an art director for many Fortune 500 companies.

Since the beginning of desktop publishing in the mid 1980's, Tim has kept on the cutting edge of electronic media by offering his clients new technologies such as Flash multi-media CDs and DVDs, e-commerce and interactive web sites.

Tim's personal work as a resident artist is showing at the Roger Harvey Art Gallery in New Buffalo. His photographic tribute to the beauty and simplicity of Harbor Country will captivate your feelings for this beautiful area he and his wife Cathi call home.

His work can be seen online at: www.fusiondg.com and www.tim-rogers.com
